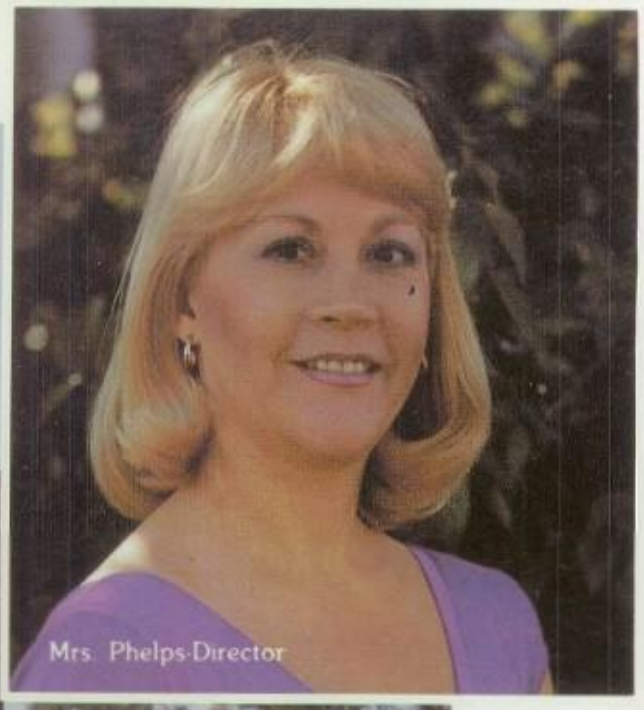
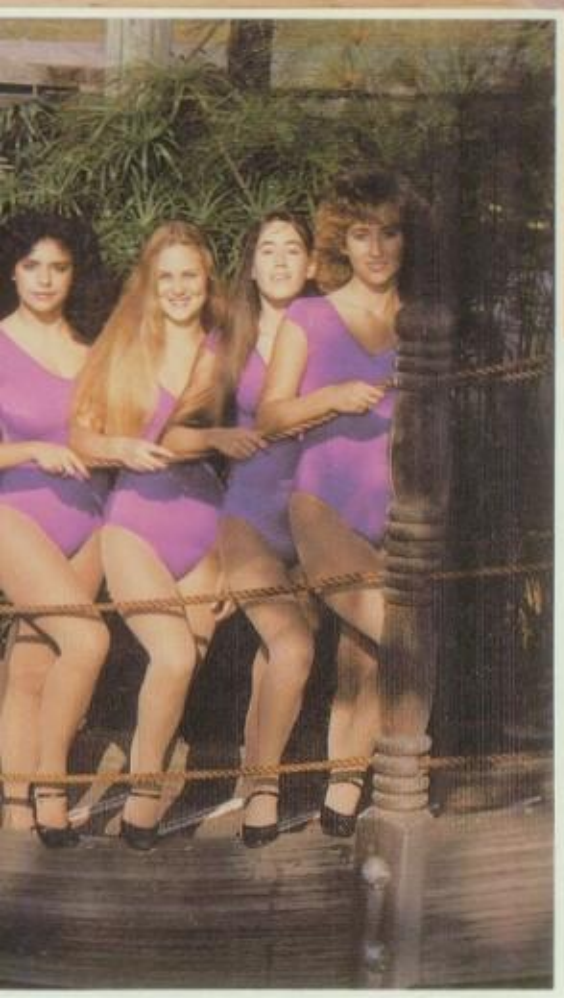
MODERN DANCE



Mrs. Phelps-Director



Officers: Carma Mitchell, Kay Bourbiel, Lisa Hurley, Chris Mills

Advanced Modern Dance Productions, a P.E. class, requires one audition to participate. It is under the direction of Mrs. Joy Phelps. It consists of 48 girls who perform various types of dance. This year they performed 2 dances for the Homecoming Assembly. The climax of this class, however, is the Spring Concert. Months of hard work goes into the performance. I think all the girls will agree that the preparation is well worth it; the Spring Concert is as much a joy to put on as we hope it is to watch.

Monte Vista is represented this year by three award winning choral groups. The Mighty Monarch Chorale is a singing force of sixty voices. Under the direction of Mr. Ron Jessee, this group sings for several on-campus assembly programs and tours Southern California in the Spring.

The Advanced Ensemble is Monte Vista's choreographed touring group. The ensemble is composed primarily of juniors and seniors who spend long hours to represent MVHS with the best in show tunes, pop, light rock, and country music.

Treble Glee is the prep group composed largely of freshman. This versitile group sings everything from classical to pop.

All three groups are directed, staged, and choreographed by Mr. Ron Jessee.

A.S.B.

Through the 1982-83 school year, the Monte Vista Associate Student Body (ASB) governed school life. We had to fight through adversity but with the help of Mr. Fey we managed. The ASB helped the school in many ways, such as: planning dances, movies, pep rallies, spoke for the students in district meetings, planned homecoming activities for a memorable 1982 year. Also, we tried to get all the students involved in school activities so that they would enjoy their year at Monte Vista. We missed you, Ferg, during your absence.

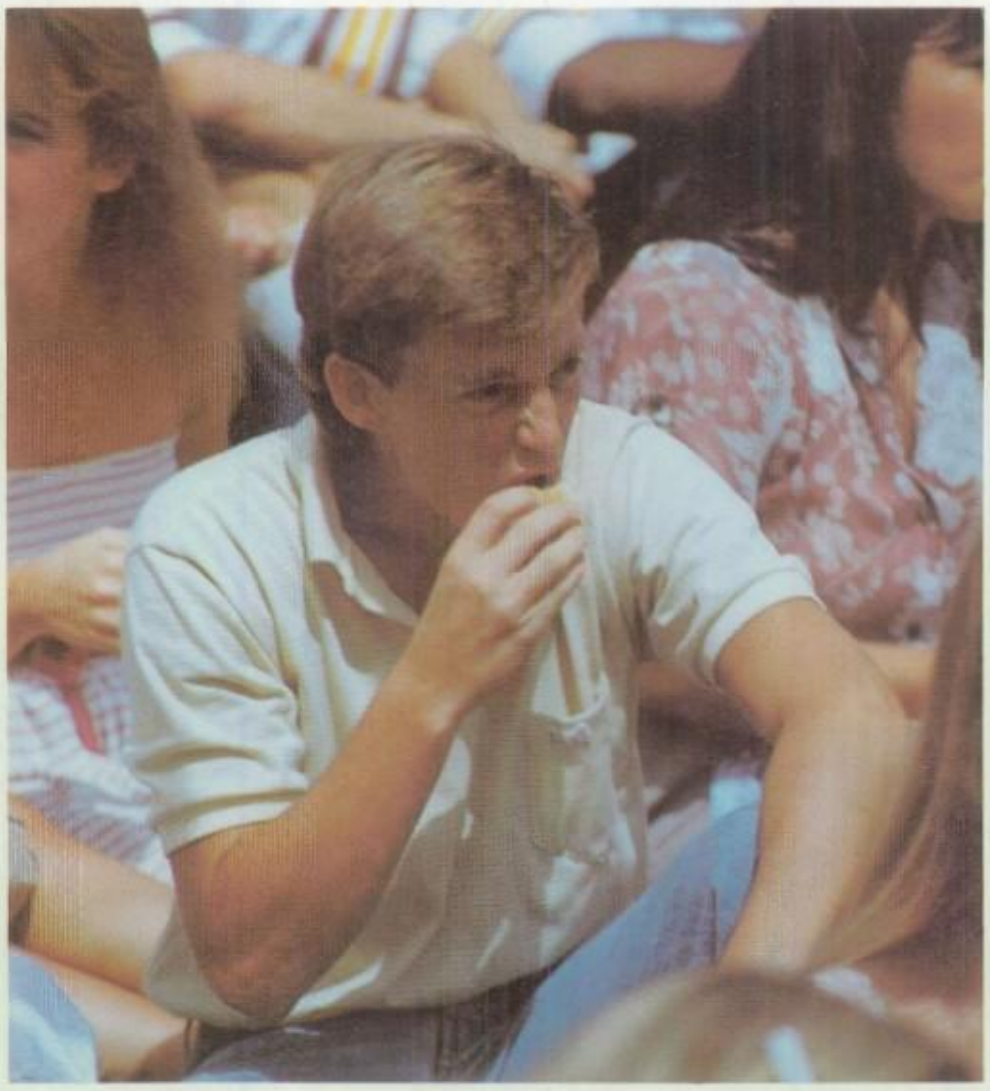
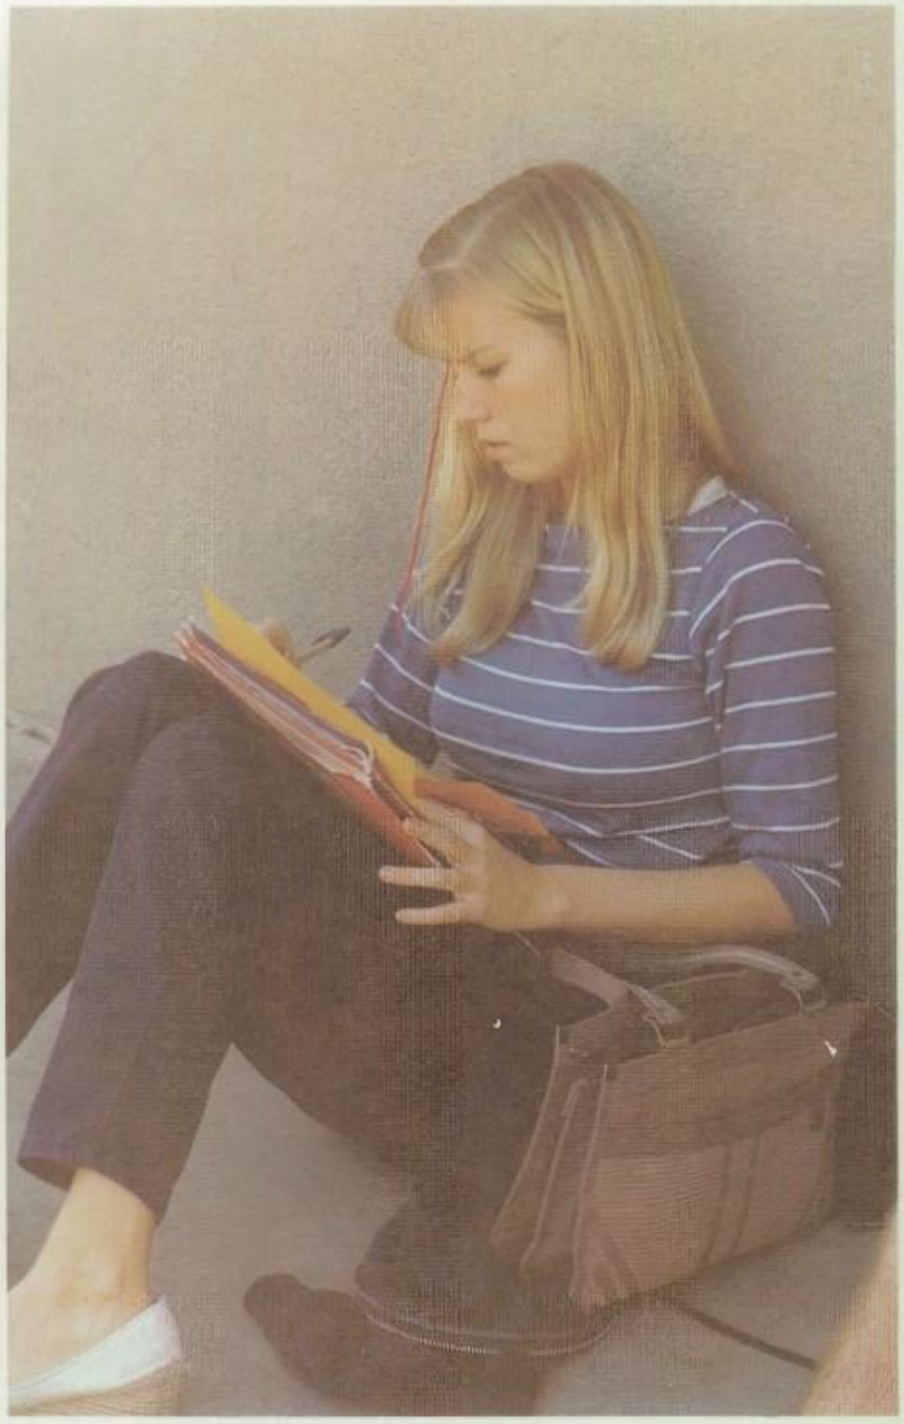
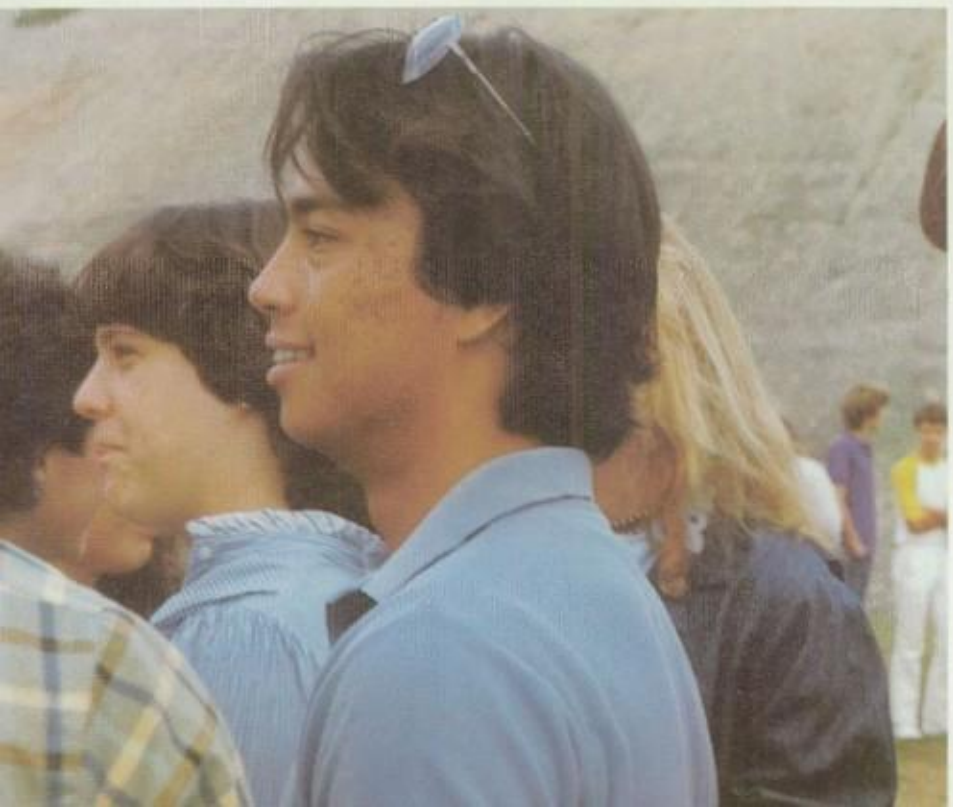
SENIORS

WE RULE

Seniors In Action







Seniors ruled this year at Monte Vista with spirit and enthusiasm. It was easy to tell who was the rowdiest at the football games and the loudest at those great assemblies. The seniors showed a true interest in our sports, our great senior class meetings, our senior officers, friends and teammates. The years went by so quickly, and we are all on our way to a new beginning. Hopefully we'll remember the times shared with friends and what our high school years at Monte Vista held.

REUNION

SOFTLY SURROUNDING,
THE WARM HANDS OF MEMORY
REACH TO HOLD OLD FRIENDS;

TOGETHER THEY LAUGH,
AND SHARE THOUGHTS OF YOUNGER YEARS
HELD IN INNOCENCE;

FACES LINED WITH AGE,
REMINISCING OF LOST LOVES,
GATHER TO TOUCH YOUTH.

THE AGED COMPANIONS;
SOME DRIFTING THROUGH WINTER WINDS
SOME THROUGH MIDNIGHT AIR.

QUIETLY THEY CRY
OVER THE LOSS OF YOUNG DREAMS
HELD IN CONFIDENCE;

FRIENDS, NOW AS ALWAYS,
REUNITED TO WONDER
WHAT TOMORROW BRINGS.

The Monte Vista Waterpolo Team had another good season placing fourth in the Grossmont League. With returning lettermen Kevin Kjoller, Randy Eickhoff, All-American Goalie Ken Howard each receiving league honors, and Steve Piszkin replacing Phil Poist as head coach, the Monarchs again moved on to C.I.F. only to lose to Crawford in the quarter-finals.

Although the Monarchs started the season slowly they came back to beat Helix (second place in the Grossmont League) in the final league game. A fresh young coach at the helm and three returning starters guarantees explosive potential for next years team.

The Monarch Volleyball team enjoyed a successful season despite not having a winning record. The team played well and several people were able to fill in for some key personal lost from the year before. Although the team played well on the whole, there were some standouts to be pointed out. Suzanne Perin is one of the finest all around volleyball players M.V. has had. She is an excellent defensive player and had the highest service percentage on the team. Donna Corcoran and Tina Cole worked very hard to fill the shoes of the graduating all-league players. Their experience will make us league contenders next year. What determines a winning team is not the score on the board but the people inside the uniforms. This team had some real "class" performers, and regardless of the scores, they were winners as people. So look for the Monarchs next year. They will be the team to beat.

1. Senior, Sheila Chatari, returns serve while Juniors, Tina Cole and Donna Corcoran, look on. Donna was selected to the all-league honorable mention as a junior.
2. Mary Seymour with the bump
3. Tina Cole shows what to do with a perfect set. Tina was selected to All-League as a junior, also.

1. Coach Forsberg with Junior, Marcie White. Coach Forsberg has been the driving force behind Monte Vista this year, and it is her hard work that has led to the Monarch tradition of a great Volleyball team with a great coach.
2. Tina Cole with another kill.
3. Faby Heredia returns serve with a perfect form bump.
4. Senior Suzanne Perin, an All-League first-teamer, shows her perfect serve.

J.V. CROSS COUNTRY

This year's J.V. team proved themselves to be worthy competitors. Their 6-2 record was good enough for a second place finish in the Grossmont League. The Varsity squad will lose only one runner next year. This should make it extremely difficult for any of these J.V. runners to make the Varsity team. These runners should be very competitive as they try to qualify for a varsity position.

The team was picked by the papers to finish last. As the end of the season neared, the Monarchs pulled their team out of last and won some games. The young team worked well together this year. Monte Vista's 1983 tennis team had many talented players. Returning senior lettermen Mike Anderson and John Rumsey, and sophomores David Burgess and Eric Svalstad were veterans of last year's second place team. The number one singles player was junior Larry Getz. Larry played a very exciting brand of tennis and finished high in the league's won-loss standings. Two freshmen, Woody Yocom and Greg Baker began their tennis careers this year. Both of these fine players proved talented and made major contributions to the success of the varsity team. Junior Tom Lybarger was a strong addition, playing singles and doubles. Senior Don Chase and junior Robby Storton were a strong doubles team. Our unity and concentration put tremendous pressure on our opponents and made Monte Vista's 1983 Varsity team a forerunner in the Grossmont League.

This years J.V. softball team did a fine job Many new players came to join the Monarch squad. The team was able to pull together and play well as a team. The backbone behind the team this year was the new coach: Larry Shepard. Although this season was a team effort, Most Valuable players Jenny Kennedy and Shauna Corcoran, also Captains Sheila Kelso and Paula Mascari certainly earned their titles. With a very young team and spirited players, next year should be an exciting one.

Principal's Message:
As Principal of Monte Vista High School it gives me a great deal of pleasure to commend all "Monarchs"- Students, Staff, and Parents- for making our High School an outstanding educational institution. Our efforts have resulted in a common educational purpose which addresses the defined needs of our students. Our goals are everchanging in a world that rapidly responds to changes to meet the ever-increasing aggregate of technological innovations. Our teaching staff continues to cope with the complexities of the global interaction which spans our modern society. The men and women of the staff work to stay abreast of the information explosion. All of us can be justly proud of our faculty and support personnel. Through the continuing efforts of one another Monte Vista will remain the bastion of excellence that has marked its twenty-two year history.
